

MAPPING OF CASH WORKING GROUPS, UN COMMON CASH STATEMENT AND COMMON CASH DELIVERY NETWORKS IN LATIN AMERICA AND THE CARIBBEAN

This map was developed with information captured at The Cash Learning Partnership workshop that took place in Panama City, Panama on 21 November 2019, the activity had the aim to map cash and voucher assistance coordination structures in the region.

¹ (CCD) is a network of 15 of the largest international NGOs who operate in every global humanitarian crisis that provides cash programming.

³ Cash working group is a body established to facilitate the coordination of cash and voucher assistance (CVA) across the humanitarian response. It is open to all humanitarian actors planning or delivering CVA and aims to support more effective and accountable CVA as part of an effective overall humanitarian response.
