

Expression of Interest GBV Focal Point

The National Cash Working Group (CWG) in Iraq is calling for organizations to express their interest in nominating a staff to become the group’s GBV focal point. As outlined in the TOR for the GBV focal point (attached here), this role will work to assist the CWG in mainstreaming GBV prevention and risk mitigation throughout its MPCA programming (needs assessment, analysis, planning, implementation, monitoring, and reporting). While considering GBV risks (including sexual violence and exploitation) and applying measures to prevent and mitigate exposure of affected populations is a shared responsibility of all CWG members and the coordination team, having a designated focal person for GBV mainstreaming will scale up existing efforts of institutionalizing and actioning the CWG’s shared responsibilities.

The GBV focal point role will be hosted by an organization. The selected organization will be required to dedicate the time of a nominated individual to carry out the duties of the GBV focal point, in line with the TOR. The nominated individuals will need to possess significant technical knowledge, capacity (acquired through trainings) and/or experience in GBV mainstreaming, as well as capacity to drive forward GBV prevention and risk mitigation in cash programming across different sectors, including through support and capacity development activities for CWG members.

Note that this expression of interest is either for a national or sub-national role. Please answer the relevant questions at the end of the form accordingly and specify which geographies your organization will be able to cover. The sub-national levels include: Dohuk, Kirkuk, Baghdad and Mosul.

Selection: All the submissions which meet the required criteria expressed in the TOR will be shared with a specially appointed committee. The committee will include CWG coordinators, representatives from the Protection Cluster and a GBV technical expert. Based on the information shared in the expressions of interest, this committee will select the focal point for the CWG at the national and sub-national levels, depending on the geographic coverage of applications submitted.

Please fill out the below information and submit your expression of interest by **COB on Monday, April 8.**
